(2) 2 Battalion, with three batteries each having 105 mm. motorized howitzers; and

(3) 3 Battalion. This battalion is activated only during wartime.

5. Communications Battalion, [] This Battalion has three companies with a total strength of 180 officers and men. The radio transmitter is in continuous operation in the staff section of the Division. Battalion headquarters is located at Veliki Otok.

25X1

a. Battalion Staff:

- (1) Battalion Commander, a certain Captain Slatkovic;
- (2) Political Commissar, Petar Pavlovic; and
- (3) Deputy Battalion Commander, a certain Lieutenant Krstic.

6. Antiaircraft Battery: This Battery is located at Postojna. During hostilities it is reorganized into a battalion consisting of three antiaircraft batteries. Battalions of this type existed in the early part of 1951 during which period they were reorganized into batteries. In wartime each of the three batteries is equipped with four Soviet-type motorized 20 mm. guns and Soviet-type antiaircraft machine guns.

7. Antitank Battalion: The Battalion staff headquarters is located at Postojna. Each of the three batteries in this Battalion has four Soviet-type, motorized 40 mm. antitank guns. Total strength of the Battalion is 130 men.

a. Battalion Staff:

- (1) Battalion Commander, Captain Rade Sarenac; and
- (2) Political Commissar, Dmitar Kukolje.

8. Engineer Company: Company headquarters is at Veliki Otok. The total company strength numbers approximately 70 officers and men. The company is equipped with rifles, machine guns and various mines. During wartime this company is reorganized into battalion strength.

a. Company Staff:

- (1) Company Commander, Lieutenant Ivan Barac; and
- (2) Political Commissar, an unidentified lieutenant.

9. Reconnaissance Company: Company headquarters is located at Postojna and is reported to be quartered in the same building as the antitank battalion. Company commander is an unidentified captain. The company strength consists of approximately 60 men. Armaments include automatic weapons.

10. Baking Company: Company headquarters is located at Postojna. There are approximately 45 men in the company, which is commanded by Lieutenant Vaso Sopranac. The bread is baked in fixed ovens; however, during wartime, the company is equipped with transportable field ovens with a baking capacity of 200 loaves of bread.

25X1

[] enough are supplied to meet the needs for a division plus any attached units by working three shifts daily.

11. Transport Company: Company headquarters is located at Veliki Otok. Company strength consists of approximately 30 men.

a. Company Staff:

- (1) Company Commander, an unidentified lieutenant; and
- (2) Political Commissar, Stanko Grabovac.

This company is equipped with seven 3-ton Dodge trucks, and one staff car for the division commander. In wartime, the company is reorganized into a battalion and is assigned three motorcycles and an unspecified number of additional trucks.

12. Division Dispensary: The division dispensary is located at Postojna under the command of a certain Doctor Puppis, who is also chief of the Medical Section of the Division. The dispensary is equipped with 30 beds and 30 hospital attendants. In wartime this unit is reorganized into a battalion and functions as a field hospital.

13. Chemical Warfare Defense (PHZ): This company is located at Veliki Otok. The commander and political commissar are not known. The company strength consists of approximately 40 men. In wartime, this unit is reorganized into a battalion for which it already has sufficient combat equipment in its "NEP" reserve.
